School closings for emergencies beyond the two emergency closing days built into the school calendar will require the extension of attendance days for students and staff, by shortening the spring break. If there are no closings, schools will be closed two days surrounding Memorial Day, May 24 & 28. If there are two emergency closings, then schools will be closed only on Memorial Day. If there is one emergency closing, schools will be closed one day surrounding Memorial Day – Friday.
